Opis produktu

- Światowej sławy kreatorzy mody od lat tworzą kobiece kreacje modowe. Perfekcyjny styl to nie tylko kwestia modnego ubioru lecz również perfekcyjnego makijażu.
- W tym drugim najważniejszą rolę odgrywają rzęsy. Stąd właśnie powstał pomysł aby wykreować nową linię rzęs. Odzwierciedla ona elegancki styl i daje możliwość stworzenia wspaniałych aplikacji.
- Rzęsy stworzone specjalnie do metod objętościowych. Ich unikalna budowa sprawia, że z łatwością układają się w przepiękne wachlarze.
- Metoda objętościowego przedłużania rzęs Russian Volume polega na doklejaniu do rzęs naturalnych wachlarzy sztucznych rzęs. Rzęsy Russian aplikuje się tak, że rozkład ciężaru jest zupełnie inny niż przy metodzie 1:1. Specjalne techniki aplikacji w metodach objętościowych zakładają równomierny rozkład wektorów sił ciężkości w różne strony względem siebie przy zachowaniu odpowiedniego kąta odchylenia. Dlatego też wachlarz składający się z kilku rzęs wcale nie obciąża rzęs naturalnej!
- Aplikacja rzęsami Russian jest lekka, delikatna i komfortowa w noszeniu.
- Ich piękny profil, połysk i miękkość dają uczucie luksusu i zadowolą nawet najbardziej wymagające klientki.
- Rzęsy te są elastyczne i wspaniale komponują się z rzęsami naturalnymi.
- Rzęsy są delikatnie przyklejone za pomocą taśmy do spodu opakowania. Taśma trzyma rzęsy na tyle delikatnie, że nie ma problemu z ich odklejaniem zarówno pojedynczo, jak i po kilka rzęs jednocześnie.
- Do aplikacji Russian wykorzystuje się znacznie mniejszą ilość kleju, ale pomimo tego aplikacja ta utrzymuje się znacznie dłużej niż aplikacja rzęs metodą jeden do jednego, ponieważ pomimo utraty jednego z wachlarzy, reszta rozchodzi się i uzupełnia lukę.
- Aplikacja rzęs metodą Russian Volume daje dużo bardziej wyrazisty efekt niż aplikacja metodą 1 do 1, a oko po stylizacji nabiera nowego wymiaru
- Dzięki palecie rzęsy są również łatwe w przechowywaniu. Możesz je stosować w jednej aplikacji razem z rzęsami MINK z dużej palety.

Paletka zawiera 12 rzędów rzęs.
